

Beginnings Treatment Centers

Are you ready to change your life?

COLLEGE STUDENT

ATTENTION ALL COLLEGE STUDENTS

Beginnings Treatment Centers is currently offering up to $4,000 dollars in educational assistance to applicants who are studying with a goal of working in the field of alcohol and substance use disorders.

Prospective scholarship grantees will submit a 1200 word essay on "Innovative and Effective Solutions to the Opioid Crisis". We guarantee that nothing is due in return for receiving grants from Beginnings Treatment Centers, we only want to promote the science behind addiction. We believe that addiction is a treatable disease and that anyone can recover given the right guidance and tools.
